

“Together Everyone Achieves More”

This popular and expanding school has excellent facilities and resources.

We are committed to bringing out the very best in our children and equipping them with the skills they need for the future.

Extracts from our recent OFSTED inspection report in February 2017:

- Every pupil receives the best education possible
- The school is a special place where 'together everyone achieves more'
- Pupils are confident and active citizens who act as excellent advocates for the school
- The school is highly ambitious for every pupil
- The school environment is a vibrant and exciting place to learn for all
