

PLAY 4 AGES

Easter Holiday Playscheme 2017

Monday 3rd April-Thursday 13th April 2017

This Easter holiday Playscheme is jam packed full of exciting resources and activities that will engage and stimulate children of all ages. There will of course be plenty of Easter and Spring time activities threaded through what we offer.

Our wide range of toys, games, equipment, environments and experienced and qualified Playworkers allow us to offer you and your children a playscheme full of new and exciting play opportunities.

Resources/Activities over the week may include:

Outside Play/Forest Play

Role Play

Arts and Crafts

Cooking

Den Building/Construction

Messy Play

Sports

Hama Beads

Easter Activities

Team Games

When planning a playscheme we look to meet the interests of the children that are attending each day. Most activities are available daily, supporting the children's freedom of choice.

We are based in New Ash Green Primary School and have use of their many environments including the studio, halls, playgrounds, field, orchard and woods.

We offer full and half day sessions to meet childcare and 'me' time needs!

For more information or to book places please contact Katie
