

PLAY 4 AGES
AFTER SCHOOL CHILDCARE
AT
NEW ASH GREEN PRIMARY SCHOOL

Play 4 Ages is delighted to offer the children of New Ash Green Primary School a fun and exciting after school club within the safe and familiar school environment, which complies with Ofsted registration criteria.

Play 4 Ages is open on Monday to Friday (term time only) until 6pm daily at a cost of £11.00 per child per session.

Playworkers collect the children from a designated place within the school and escort them to the after school club, located in the studio at the rear of the school.

Qualified DBS checked Playworkers are on hand to deliver a full program of activities for children of all ages. Activities such as art and craft, physical games and cookery will be on offer along with many activities which the children have the freedom to choose from. The children benefit from a fantastic outside environment which is offered on a free flow basis.

Play 4 Ages ethos is very much about facilitating children's play and making sure the environment is conducive for play.

Snack tea is served to the children whilst at the club. We encourage the children to serve themselves and ensure that choices are available to them.

Play 4 Ages policy documents are available to view in the club
