

Parents' Forum 19th June 2017

Agenda:

£25 voluntary payment

School dinners

Any other business

Budget

The school budget has been cut drastically. Resources etc, which have been funded by the school are now at risk.

The voluntary one-off payment of £25 has been differed for a year. This will allow parents to get used to the new online payment system, which is being introduced in September due to the bank in New Ash Green closing.

School dinners

The quality of meals was discussed and everyone is very happy with them.

Any other business

Parking Issues

There is still a problem with car parking at the end and beginning of the school day. Cars seem to be blocking other cars in as well as parking in the disabled spaces with an eligible badge.

Another reminder in the monthly newsletter regarding this would be helpful.
