

Feedback from Foundation Stage Information Session 14th June on Expressive Arts and Transition into Year 1

Not to be missed workshop

Lovely school. Louie has settled very well. Thank you.

Another lovely workshop. Lots of useful information. Thank you. Very reassured that Poppy's transition to Year 1 will be a smooth one.

Lovely seeing all the artwork on the tables. Very informative workshop.

Great hearing how the children will be transitioning into Year 1. Thank you.

Glad that the workshops are continuing for Year 1. Mrs Hussain is Isabelle's best friend at school and she will be sad to leave her but excited to be with Miss Day.

Great workshop, thank you for all of the information regarding moving up to Year 1. Thank you.

Good workshop, lots of useful information re Year 1 transition. Brilliant to see their artwork. Thank you.

Very useful workshops and I'm glad they will continue. We look forward to meeting the Year 1 staff.

Good to learn about the transition to Year 1 and that information of each child is passed on. Amelie really enjoys her class and regularly tells me what she learns.

Very good workshop. Love hearing about what Lilly does and how to support her.

Useful reminder of progression into next year group. Informative and approachable.

Thank you. Very reassuring and informative regarding the transition and interesting to see the variety of art work.

Very informative. Hope there are more workshops next year.

Lovely seeing the children's work and knowing the transition period going into Year 1.

Thank you for explaining and for the opportunity to see the class in the morning. Thanks for everything. Sad it's my last one.

You are doing so well. JJ is always excited to come to school and learn different things.

Very helpful workshop. Good to know children will stay in same classes with friends they have made.

Reassuring and Informative
