

STAY AND LEARN WORKSHOP FEEDBACK: UNLOCKING READING

Really enjoyed seeing the classroom and having my son read at his table.

Well presented! My children love reading.

Lovely session – so great to be in the children’s classrooms. I think its special for them – and us. It makes us feel like a team and involved.

Thank you, great info.

Great session.

Thank you, the session was really helpful and enjoyable.

It’s so marvellous to get the opportunity to interact with the children in school and to learn more about how reading is taught. And also what we can do at home to help.

Really helpful, was lovely to stay in the classroom.

Well-advertised and run, thank you.

Thank you for taking the time, love the sessions you help us parents with!

Great to see the children in their classrooms.

Lovely reading session with my son, very calm and all the children are reading very well. Some of the children are also reading to each other. Very structured and enjoyable.
