**NEW ASH GREEN PRIMARY SCHOOL**  
**Sports Premium 2016/17**

Our school's allocation of the Government's Sports Funding is £9,555. We will spend it in a sustainable and effective way which will improve our long term provision of PE (Physical Education in the curriculum) and school sport (extracurricular sporting opportunities). Half of the money has been funded by the Department of Health and therefore will also be used to improve opportunities for all children to adopt healthy lifestyles.

The school will use this funding to:

- Improve the quality and breadth of PE and sport provision
- Increase participation rates in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of
