

Parents and Carers Report Feedback

We are both very happy with our son's report and are actively encouraging him to go for House Captain or Head Boy next year.

I am really pleased with my son's progress, he has grown both academically and personally. Mrs Lednor has yet again brought out the best in my child - amazing.

My daughter has had an amazing year, her teachers' and TA's support have been amazing.

I am delighted (although not surprised) with my daughter's progress this year - she absolutely loves learning so it is not a surprise to read such a glowing report. I am incredibly proud of how well she has done across the board and can't wait to see what she does next!

A fantastic report for my son this year which I'm extremely proud of. His love for learning has paid off and it shows in his Maths and English. He always rises to any challenge thrown at him and never gives up. Onwards and upwards - I look forward to him being challenged in Year 4.

Lovely report for my daughter. We are really pleased and proud at how she's progressed this year. Her hard work has paid off. Really pleased with her SATs results too.

Very happy with Louie's progress, not just this year but in his total 7 years at the school. Thank you for all you have done to help him grow.

Once again, we can only express our gratitude for the care and support our daughter has received throughout her time at NAG Primary. She has done amazingly well and has always gone to and come home with a smile on her face. Thank you!

I am very pleased with Mr Jordan's comments about my son. He has tried so hard especially with his reading and writing. Thanks to Mr Jordan and Mrs Corley for all their help and support. My son has really enjoyed Year and his time at New Ash Green.

We are very happy that our daughter has had a fantastic year, Miss Bassant has provided great encouragement in all areas. Our daughter has loved having the chance to take part in sporting events, as well as having her creative writing skills celebrated. Miss Bassant herself has been a great role model.

We are really pleased with our son's progress throughout the year. His writing has improved a lot and is getting neater and smaller. His reading is so good. He has enjoyed learning about different famous people and enjoys telling us facts that he has learnt about them.

We are extremely happy with our son's progress he has made this year. It's also lovely to see how happy he is at school. Thank you!
