

The workshops have been invaluable and a great way for parents to understand more about the children's learning. We will miss Reception and Miss Smith.

Thank you. I can't believe this school year is nearly over. My son has developed so much this year and made some great friends.

I really like that there is a Tapestry available, it really is a special feature within the school. Thank you.

Thank you for doing such a fantastic job. Your love and care for the children is wonderful and both the teachers are such lovely people.

Very helpful information, thank you.

Parent workshops are a brilliant idea and I hope they continue. I couldn't have wished for better teachers for Reception, Mrs Hussain has been amazing.

Love the final workshop, it has really helped to give us an insight into how the children's learning environment is going to change. Thank you for an amazing year of excellent learning for the children and so much support for the parents.

We couldn't have asked for a better first year for our daughter. She has absolutely loved her first year at school. We will miss Miss Smith next year, but she will still pop in to say hello I'm sure.

Thank you Mrs Hussain for all your hard work with my son. He has done so well this year! You're a star!

I was worried as my child is an August child but he has come on and developed so well, he really enjoys school, thank you.

Reception has gone so fast. These workshops have been really valuable. I hope Year 1 goes as well as Reception.

Thank you for all of your help and support throughout Reception. My daughter has loved learning lots of new things and has come on so much. Thank you.

It was very reassuring to be told what the children will be doing in Year 1. Thank you for making my daughter's start to school life so amazing!
