

Celebrating our 2019 Community Achievements

Over the last year, the school has been proud to support and celebrate the following community achievements which our children instigated by themselves, using their own initiative. I am sure you will all join me in praising their hard work and commitment.

Mrs C.A. Cain, Headteacher

Congratulations to:

Emily Drinkwater
on being awarded a prestigious
Diamond Blue Peter badge
for sending in a brilliant poem
about her achievements this year.

Well done, Emily!

**Amily Sleeps Rough,
So Others Don't Have To**

On 8th March, **Amily Morgan** spent a cold and windy night with her mum sleeping in a cardboard box to help raise the plight of youth homelessness. Due to this kind and thoughtful action, Amily has managed to raise a fantastic **£457.50** for the YMCA. What a wonderful gesture.

We are very proud of you Amily!

**Amelia Rogers
Featured on TV!**

We are very proud to announce that Amelia was selected to appear in a Barclaycard advert, which was shown on TV and the internet. She had to pretend it was her birthday!

Well done, Amelia!

Mollie Webb

Many congratulations to Mollie for raising a magnificent **£350** for **Great Ormond Street Hospital** by taking part in a 5k Run or Dye Race! As you can see, Mollie had great fun competing by dodging foam as well as dye!

Well done, Mollie!

Some of our Year 6 girls kindly asked to raise money for the **British Heart Foundation**. Thank you to all Parents and Carers donated towards their fundraising event. Your generosity managed to raise **£430.80** for this very worthy cause.

In April, some of our children who play for the New Ash Green Aztecs Under 9s Football team were fortunate enough to go on tour to Madrid. Whilst there, they were trained by professional coaches from both Athletica and Real Madrid Football Clubs. This expert training enabled the team to enhance their skills, which resulted in them winning against a top Spanish team with a fantastic score of 8-2! Each player played magnificently. Many congratulations to the following Aztecs: **Lewis Jarrett-Height, Lewis Miller-Wills, Oliver Miller-Wills, Harry Smith, James Smith, Ben Wilson, Noah Smith, Blake Lewis, Vinnie Frost and Brody Stajkowski**. Very well done! You have made the school very proud.
