

Learning at Home...

Please help us to promote a love of reading by listening to your child read daily. 'Little and often' is key and it makes such a positive difference.

Each week the children will be set a Maths challenge to complete at home.

This year Learning Together will be set fortnightly and will be based on the term's topic. Children will share their Learning Together with the class.

At the start of Term 3, the children will be given 5 spellings to learn each week.

Phonic Screening...

During Year 1, the children will be preparing for the National Phonics Screening Test. The test will be in Term 6 and will involve the children reading 40 words, 20 pseudo words and 20 real words.

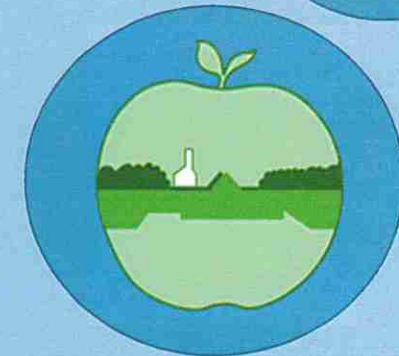

Purple Mash - Online Learning

www.purple.mash.com

Each child will be given their own login in September and will be able to access Mini Mash. There are Maths, English and topic activities to support children with their learning.

Moving into

Year 1

Information Booklet for Parents
