Thank you for attending our recent Stay and Learn Workshop. Below you will find a selection of comments from those Parents and Carers who were able to attend the Workshop on 25th September.

"Positive experience and it was nice to see what is happening."

"Really great to hear how the children's resilience is being nurtured. Loved seeing them working in class."

"My children are in Year 2 and 6 - they already have a great grasp of the values which is brilliant. They are super values which will only add to the school's fantastic approach to wellbeing and learning."

"Really enjoyed being in class with my child. It was just the right amount of time."

"Very helpful Stay and Learn."

"Thank you. I think including resilience as one of the school's values is very helpful."

"Brilliant - thank you so much for all your work on the curriculum. We love the new core values."

"A good foundation of values for the whole school to embrace, thank you for explaining."

We hope you found this Workshop useful with supporting your child with our Curriculum Core Values.

We were delighted to see that **over 100** Parents and Carers were able to join us at this Workshop.
