Co-op Local Community Funding for New Ash Green

We have great pleasure to announce that our PTA has been able to secure local community funding with the Co-op stores. This is fantastic news as all the money raised will go towards improving our local spaces and provide more opportunities for outdoor learning within the school. However, to do this, we will need your support.

If you have not already done so, we would really appreciate as many Parents and Carers as possible becoming a Co-op member. This is quick and easy to do via the following link: <https://www.coop.co.uk/membership> details of which are also in the attached flyer. Once you are a member, 1% of everything you spend on selected Co-op products and services will go towards your choice of local causes. We, of course, do hope that you decide to choose our school, once you have become a member, by clicking onto this webpage link: <https://membership.coop.co.uk/causes/39930>. You will then need to select 'Choose this cause' via our New Ash Green Primary PTA page.

Our school has been incredibly fortunate to be selected as one of the causes so I do hope you will support us when you next shop at a Co-op store. Other local causes have raised over £12,000 so we would be delighted if our school could emulate this success.

Thank you.

Yours sincerely
