

Stay & Learn Reading Session Feedback

Wednesday 16th October 2019

My son's reading has improved greatly. Well done!

Lovely to hear the children read.

It was really lovely to see the books that my son chose for himself at school.

Lovely school, happy children, happy teachers.

I love coming in to see my child read.

So wonderful to be able to go into my son's class and have him read to me. An absolute pleasure.

It was excellent to see how the children are getting along with their reading.

Lovely to visit the children in class and read with them.

Lovely opportunity to see our children in the classrooms and read together. It reinforces the importance of reading which luckily my son loves.

It was lovely to come into my son's class and listen to him read. Thank you for inviting us in to find out about what support the children have for reading.

Very encouraging.

Super reading, thank you.
