

New Ash Green Curriculum Statement

Intent – Our curriculum is driven by the need to prepare our children for lifelong learning. At New Ash Green Primary School, we offer a rich and vibrant curriculum, which is ambitious for all learners. Through our curriculum, we develop the essential knowledge, skills and understanding, which are the building blocks for later life.

Implementation - Our curriculum encompasses not only the formal requirements of the National Curriculum, but goes beyond the experiences of the classroom to ensure that our children are exposed to the richest and most varied opportunities that we can provide. Our aim is to enrich every child's school experience by creating an environment where children are encouraged to succeed and be the best they can be. At New Ash Green Primary School, we work hard to ensure our children understand their own cultural capital to prepare children with the essential knowledge and skills for their future and appreciate the diversity of our world. The curriculum is underpinned by our Core Curriculum Values and British Values.

Impact – We aim to foster the children’s understanding of ‘belonging and being’ and how they connect to the past, live in the present and look to the future; encouraging curiosity and a passion to learn. Our curriculum aims to promote a ‘be the best you can be’ attitude towards learning, so that all children enjoy coming to school and embrace new challenges and possibilities; pushing their own boundaries to achieve academic excellence. We enable children to develop their knowledge, understanding and skills; to become resilient and become independent thinkers and questioners and to acquire a solid basis for lifelong learning. The curriculum promotes our Core Curriculum Values and British values so children take responsibility for themselves and their actions. It fulfils all the requirements of the National Curriculum and the Kent Agreed Syllabus for Religious Education.
