

Feedback Report from Parents and Carers 2020-2021

We are so happy with our daughter's progress and how she has coped with the last year. Thank you so much Miss Bassant.

We are very pleased with how well our son has done this year. We are also especially grateful for how much support he has received throughout the most challenging year.

I'm extremely proud of my son's achievements this year, especially in his English. Mrs Nurdin in my son's exact words is 'Epic' I am so glad he can leave Primary School on such a high.

We are very pleased with our son's progress this year and really appreciate the hard work from Mrs Hussain and the Reception team. He has had a fantastic first year. Thank you.

Very happy with our daughter's progress. Mrs Smith and Mrs Raymond have been outstanding. We cannot thank all the staff at NAG Primary enough for the way they have handled an incredibly hard school year.

My daughter has been amazing again, with another great teacher. Such a wonderful school which she will miss lots. I feel she has met her full potential.

What a fantastic year for my daughter. I have noticed her excellent reading skills, spelling progression and her enthusiasm for maths. She loves school and her friends which is wonderful and is going to miss being in Mr Nurdin's class.

Thank you for a lovely report. My daughter has had a fantastic year.
