

Feedback Report from Parents and Carers 2020-2021

We are very proud of our son and how well he has done in his final school year.

My daughter's report was so lovely to read. You have really got to know her and she is lucky to have you and in lockdown too! Thank you for everything Mr Jordan.

I am very impressed with my daughter's report and proud of her. I would like to thank Mrs Lednor and Mrs Cordingley for all their hard work.

Fantastic report, very proud how our child has coped with this extremely uncertain year. Thank you to the teachers and school for all its hard work in relation to Covid.

What a wonderful year in RW6, even lockdown and home schooling didn't dampen our son's enthusiasm for learning. He continued to thrive under the wonderful Miss Taylor who he will miss.

Thank you for the thorough report you have provided on our son's progress this year. Thank you for the incredible work you all do, especially during this turbulent year. Wishing you all a wonderful summer break.

We are very happy with the progress our daughter has made this year. This is her best report to date, with such a huge leap in maths. We are so pleased that she is coming in at where she should be in reading, writing and maths. Thank you.

A huge thank you to Miss Smith and her team for giving our son an awesome start to school.
