

School Readiness

Help your child to be school ready

To be ready for school, children need to be able to:

- Get dressed and undressed, and changed for P.E.
- Recognise their names on bookbags, clothing and pegs.
- Be happy about separating from parents and carers
- Use the toilet independently
- Follow instructions
- Eat healthily and with cutlery,
- Have a good bedtime routine.

Please speak to a member of staff to sign up for twice weekly emails with fun activities to do throughout the six-week summer holidays to support you and your child to be school ready. These will include activities such as Let's Get Dressed, What's in the Lunchbox? and Bath Book Bed.
