

Readiness into Year 3...

As the children progress into Year 3 here is some information regarding their learning during the year.

- **Being independent learners** – the children will be working really hard at taking ownership and more responsibility for both their equipment and their learning.
- **A change to the school day** – Now the children are in Key Stage 2 they will have a morning playtime and lunch playtime only. In the afternoons, we will build in learning breaks in the form of our class story and, weather permitting, 're-focus runs' around the playground.

We know that any change for your child can be daunting. Please do not hesitate to speak to any of the Year 3 team so we can help 'smooth the edges' to ensure your child is happy

Learning at Home...

Contact Books and Reading Diaries – these are checked daily. In Year 3, these can be used as one way of passing informal messages to the class teacher. However, their main purpose is to record **daily reading**.

Regular **number skills** practise is a great way to support your child. Ensure they know number bond facts to 10, 20, 50, 100 etc., doubling and halving facts and multiplication facts.

Homework – this will be set every Friday and will include maths, times tables and spellings.

- **Outdoor Learning** – We will have a weekly outdoor learning day. Children will need to bring their wellies or appropriate shoes to change into.

- A healthy, fruit **snack** for morning playtime is encouraged too.
