

## Readiness into Year 4...

- **PE Kit** – The children will need to wear their kit on PE days. The children require a PE t-shirt, shorts, plimsolls (indoor PE) and trainers (outdoor PE). In the colder weather, jogging bottoms and a jumper are required.
- **Outdoor Learning** – We will have a weekly outdoor learning day. Children will need to bring their wellies or appropriate shoes to change into
- **Watch** – It is a great idea to encourage your child to wear a watch and begin to tell the time with increasing independence.
- **Water bottle** – it is really important the children keep hydrated. They will always have access throughout the day to water. Please ensure a named water bottle is in school every day.
- A healthy, fruit **snack** for morning playtime is encouraged too.
- **Toileting** – we encourage children to use the toilet at play and lunch times. Although we recognise, at times, children will just need to go! Please let us know if there are any medical issues relating to toileting.

## Learning at Home...

**Contact Books and Reading Diaries** – these are checked daily. Just as in Year 3, these can be used as one way of passing informal messages to the class teacher. Learning Together will continue in September as a termly project.

Regular **number skills** practise is a great way to support your child. Ensure they know number bond facts to 10, 20, 50, 100 etc., doubling and halving facts and multiplication facts.

### Homework

This will be set every Friday and will include daily reading, a weekly English task, a weekly maths task which focuses on number skills and Learning Together
