Parents/Carers Acceptable Use Policy

1. I, with my child, have read and discussed New Ash Green Primary School's Acceptable Use Policy (AUP). I understand that the aim of the AUP is to help keep my child safe online and applies to the use of the internet and other related devices and services, inside and outside of the school.

2. I am aware that any internet and IT use using school equipment may be monitored for safety and security reason to safeguard both my child and the school systems. This monitoring will be proportionate and will take place in accordance with data protection, privacy and human rights legislation.

3. I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure my child will be safe when they use the internet and other associated technologies. I understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

4. I with my child, am aware of the importance of safe online behaviour and will not deliberately upload or add any images, video, sounds or text that could upset, threaten the safety of or offend any member of the school community.

5. I understand that the school will contact me if they have concerns about any possible breaches of the AUP or have any concerns about my child's safety.

6. I will inform the school or other relevant organisations if I have concerns over my child's or other members of the school communities' safety online.

7. I know that my child will receive online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.

8. I will support the school online safety approaches and will encourage my child to adopt safe use of the internet and other technology at home, as appropriate to their age and understanding.

I have read, understood and agree to comply with the New Ash Green Primary School Acceptable Use Policy.
