Thank you so much for having these things where the parents are included.

Presentation was great and it was reassuring to hear how the school cares.

Lots of positivity and nice friendships. A happy class.

It's always useful to have an insight on how the school deals with bullying, but also as a parent how to deal with such a difficult situation.

Very informative and lovely to see/hear how the school deals with bullying. Thank you.

I love that the school is running this programme and reminding children of kinder ways to behave.

Great to be informed of what's going on and seeing the children in their class.

Very useful presentation and lovely to see the children engaging in the topic. Look forward to the parent pack.

Love how the school is dealing with bullying. Fantastic!

Lovely to see all the children so engaged with kindness activities.

Really enjoyed to hear what happens in school. Thank you.

Very well done. Good presentation. Teacher's classroom very tidy and controlled.
