17.11.23

Year 2

- This week, Year Two have been curious palaeontologists during their dinosaur day.

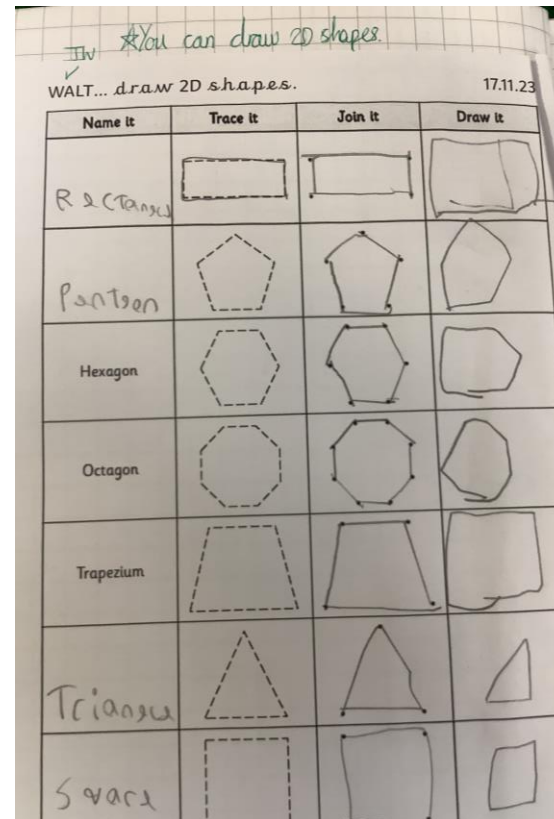

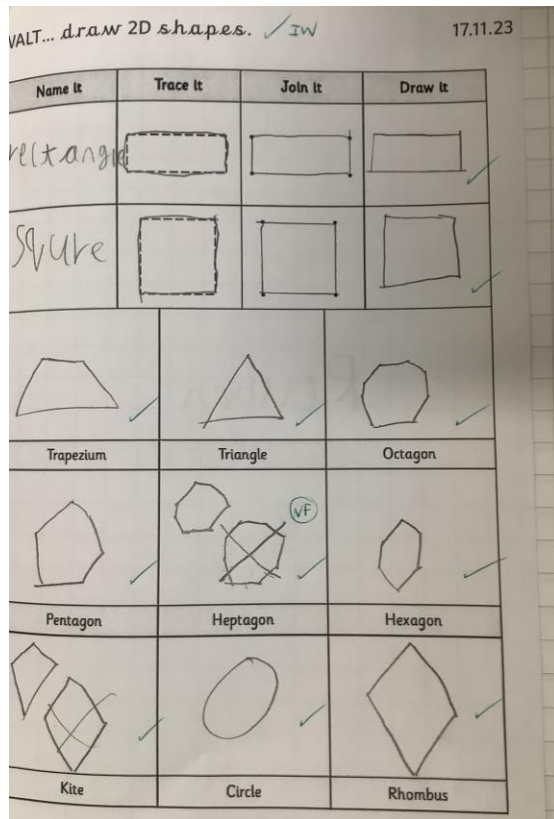

Dinosaur Day

- Some of the activities they did were fossil hunting, looking at where dinosaurs lived and they also examined dinosaur bones.

Maths and PE

- During maths, they looked at 2D and 3D shapes. They also sang a song.
- In PE, they enjoyed doing agility. They did skipping and also the high jump.

English

WALT... write a diary. 14.11.23

Use effective vocabulary.	✓	✓

Dear Diary,

there are unkind dinosaurs in this world like the horrible family I'm stuck with. Will I ever get my happy ending? This nightmare of a dream is killing me! Who put me in this threat of life? My heart is turning into pieces of tiny ash. My happiness is melting like ice melting into water.

WALT... write a diary. 14.11.23

	Me	My teacher
Write an exclamative sentence.	✓	✓
Write a question.	✓	✓
Use effective vocabulary.	✓	✓

Dear Diary,

My heart is breaking with never ending sadness! Why do my mean sisters laugh at me and call me unhappy, awful and miserable names? Please help me. I'm feel like I'm in a terrifying nightmare. I'm crying like a long waterfall. How What had place this is! Where is my family? Why am I the lonely one?

A fantastic and emotive diary as Tyrannosaurus Rex Annabelle! (M)

Add the missing punctuation.
What a terrible nightmare
What am I going to do?

- Also, in English, they wrote a recount of their dinosaur day and they are reading dinosaur drip.
- Remember...

Together everyone
achieves more!
