# Year 5

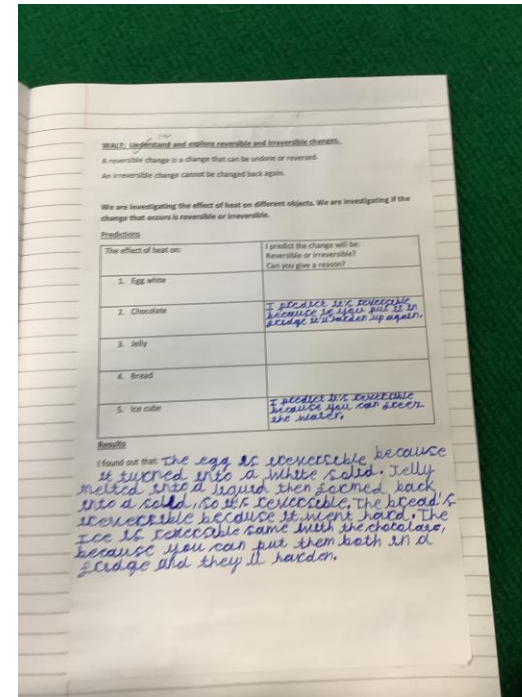

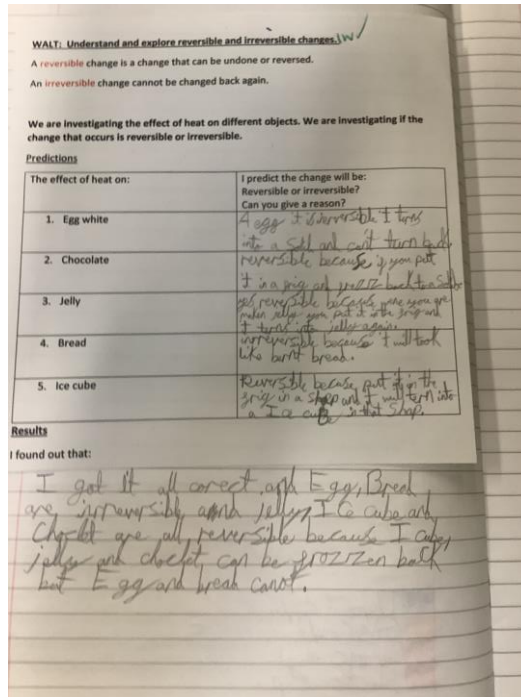

- This week, Year 5 have enjoyed doing curling in PE.

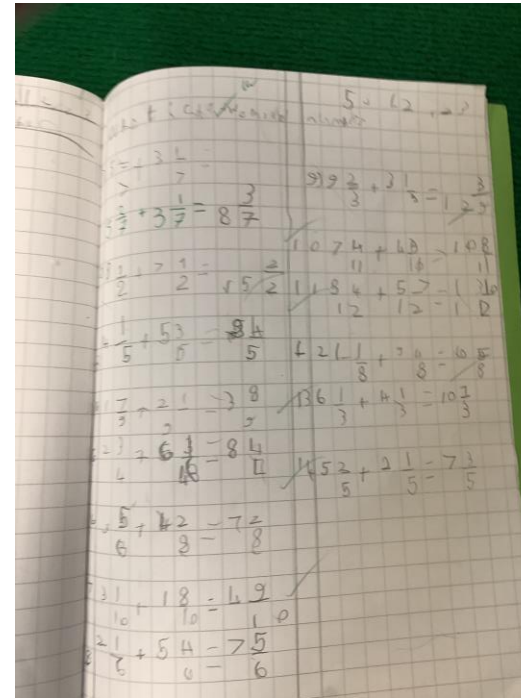

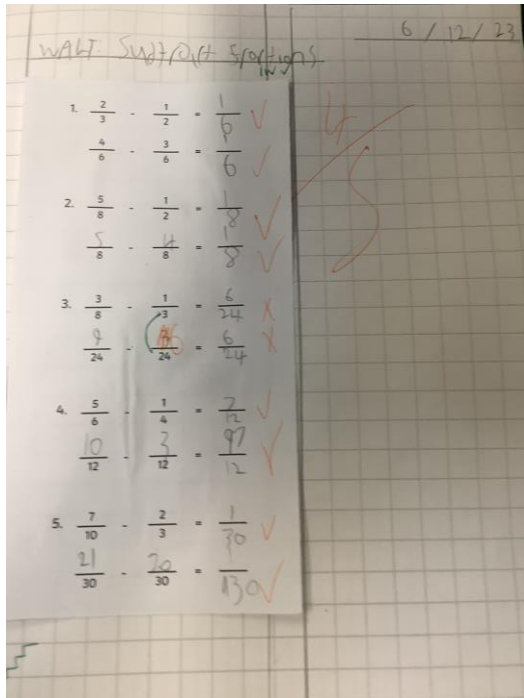

# English

They have also had fun writing their Arctic reports.

# Science

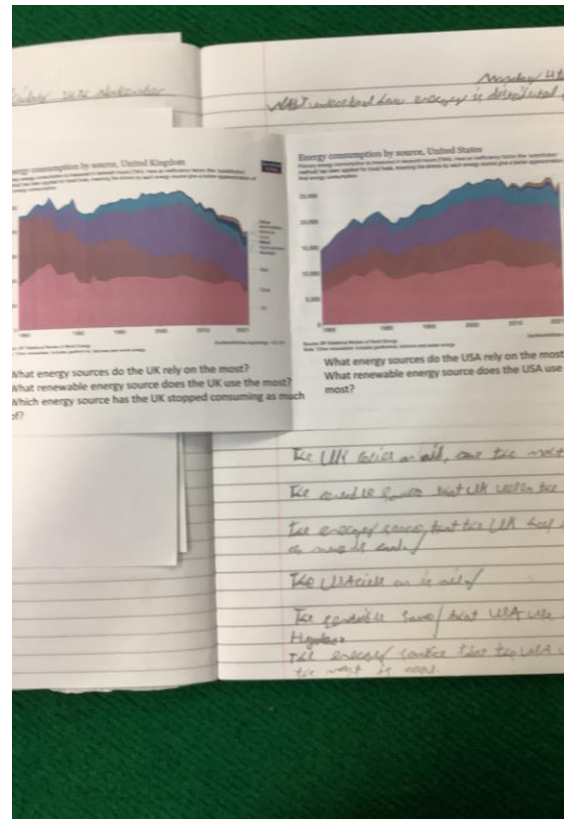

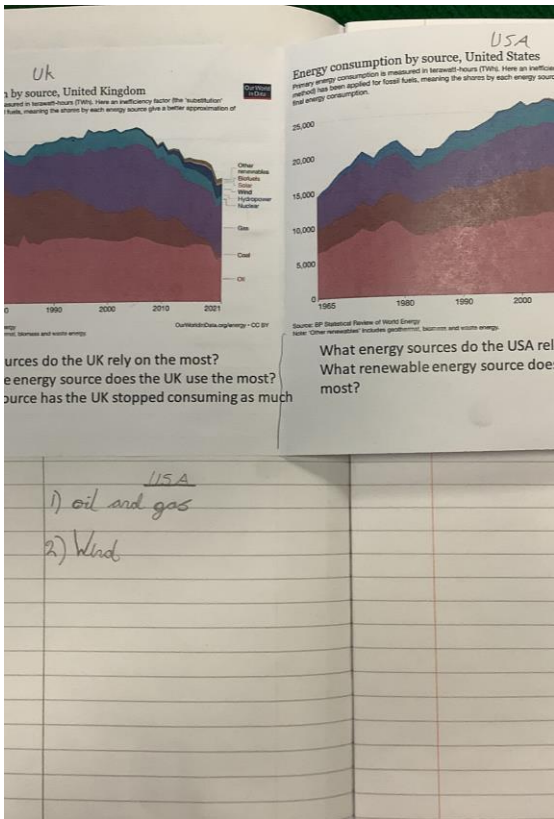

Also, in science, they've been learning about reversible and irreversible changes.

# Maths

In maths they have been learning to add and subtract fractions.

# Geography

- ▶ In geography they've learnt about energy and how to transport it.
- ▶ Remember...

Together everyone  
achieves more!
