## Year 5

This week we visited the fabulous Year Fives. Firstly, in maths, they have used self-motivation to answer word problems and used the inverse to check their answers.

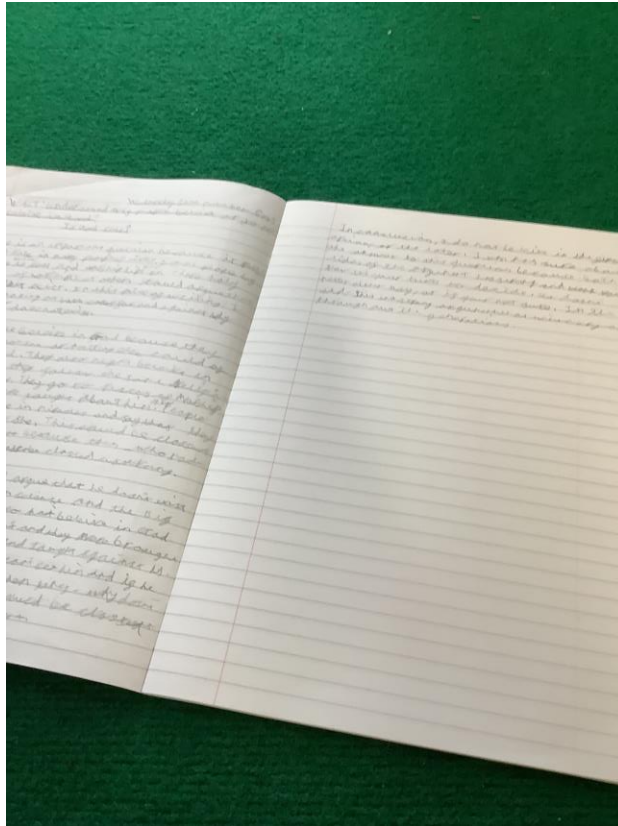

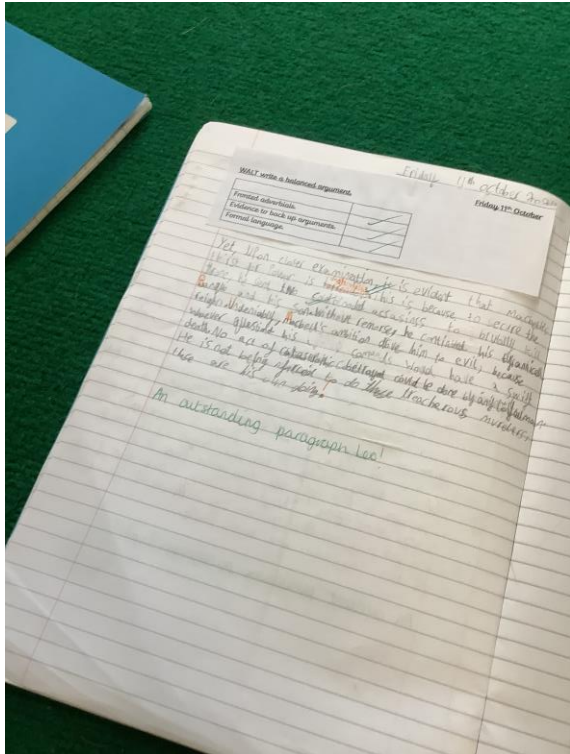

# History

Next, in history, they visited Knole Park for their school trip and they learnt to do a Tudor dance, play instruments and dress up.

# English

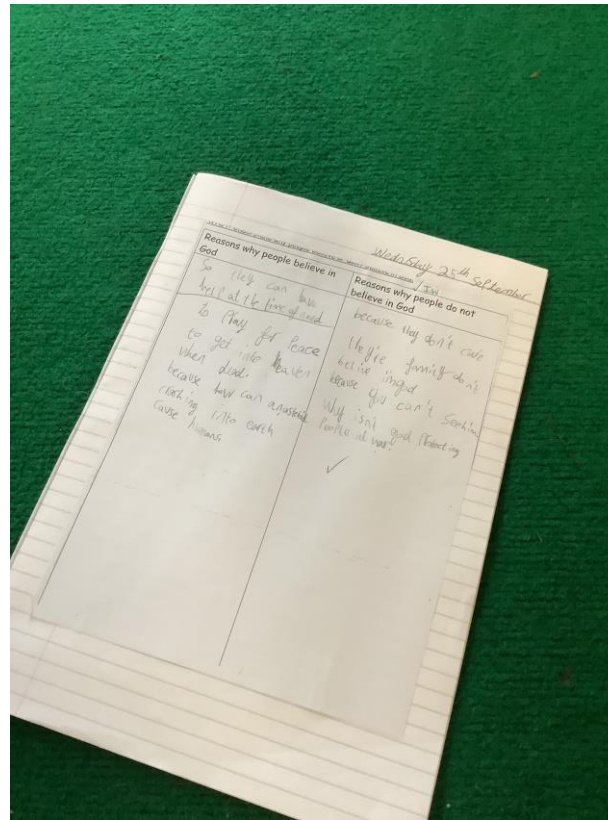

Next, in English, they have challenged themselves to write a balanced argument about whether Macbeth was a hero or a villain.

# RE

- ▶ Finally, in RE, they had a good debate about if God is real or not.
- ▶ Remember...

Together everyone  
achieves more!
