Year 3

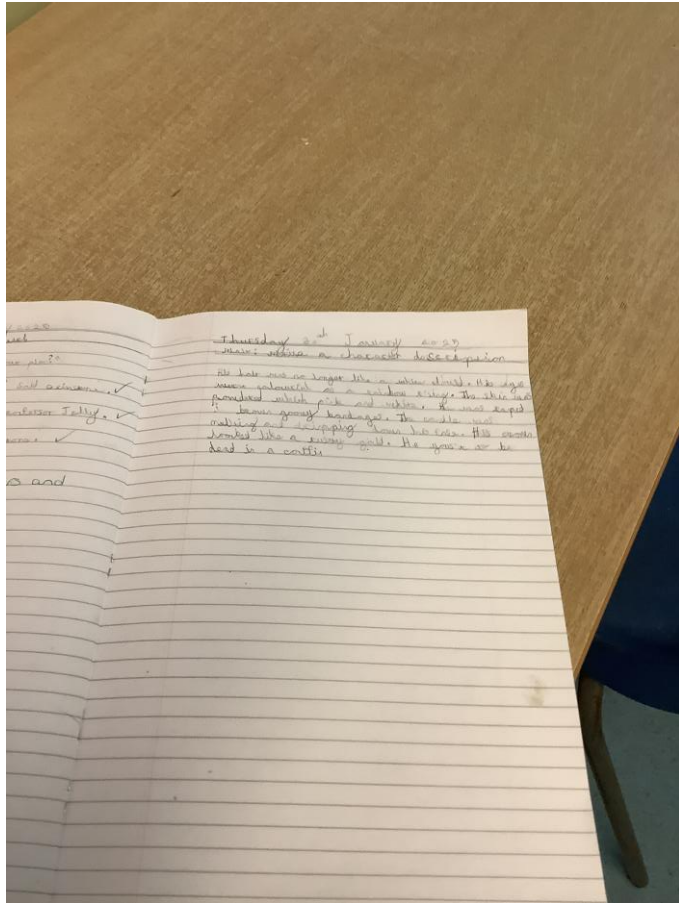

This week, we visited the thoughtful Year Threes. First, they have been challenging themselves in maths by learning measurements like m, cm and mm.

Topic

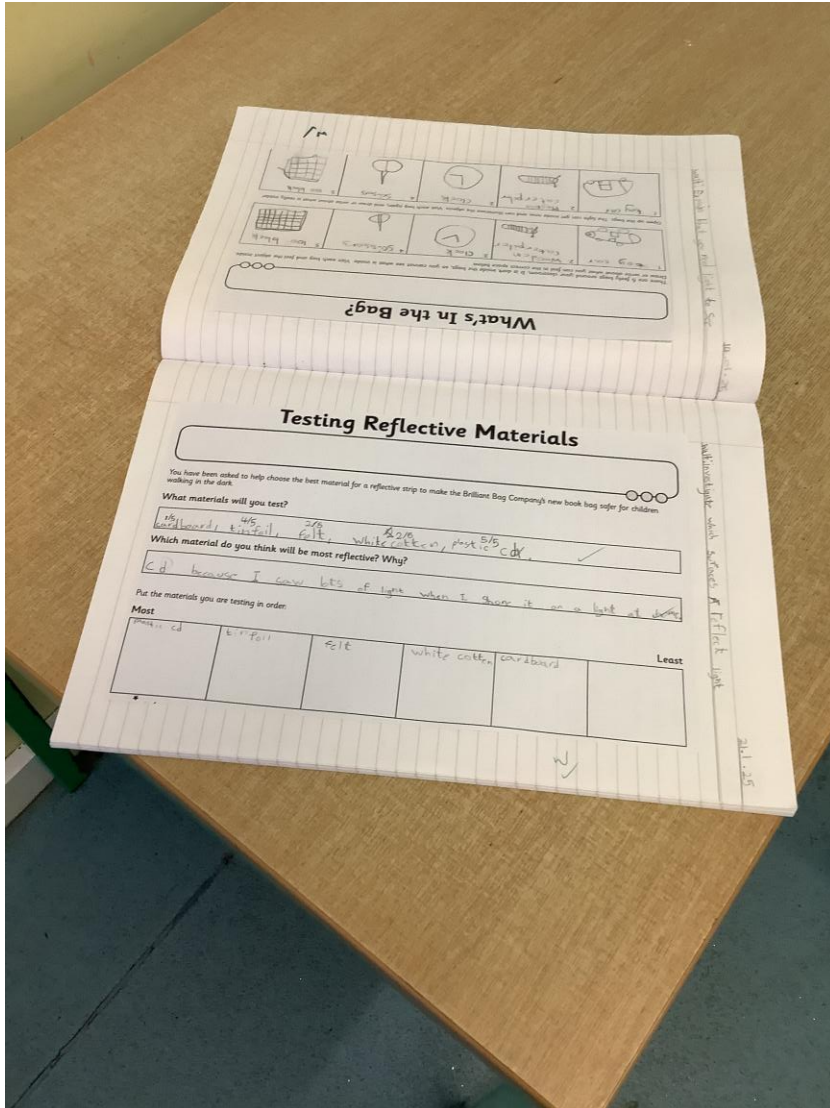

Then, in topic, they have been learning all about the Ancient Egyptians.

English

Next, in English, they have been learning about the story of the Pharaoh.

Science

Finally, in science, they have been learning about light and mirrors and how they reflect. Remember...

Together everyone
achieves more!
