22.5.26

Year 5

This week, Year 5 have been learning about the oceans and have written a letter to the Prime Minister describing what the damage has caused.

Art

Furthermore, they have been focusing on the 'Take One Picture' challenge and have created their own tunics.

Maths

20/05/26

Read and Plot Coordinates

1)

a) What are the coordinates of point A?
(2, 2)

b) Write the coordinates of points B to G.

B (4, 5)	D (2, 6)	F (9, 2)
C (7, 8)	E (2, 2)	G (7, 5)

c) Which coordinates have the same x-coordinate? (7, 8) (2, 6)

d) Which coordinates have the same y-coordinate? (7, 8) (2, 2)

2) Plot the points on the coordinate grid.

A (7, 4)	C (9, 3)	E (10, 5)
B (2, 6)	D (8, 1)	

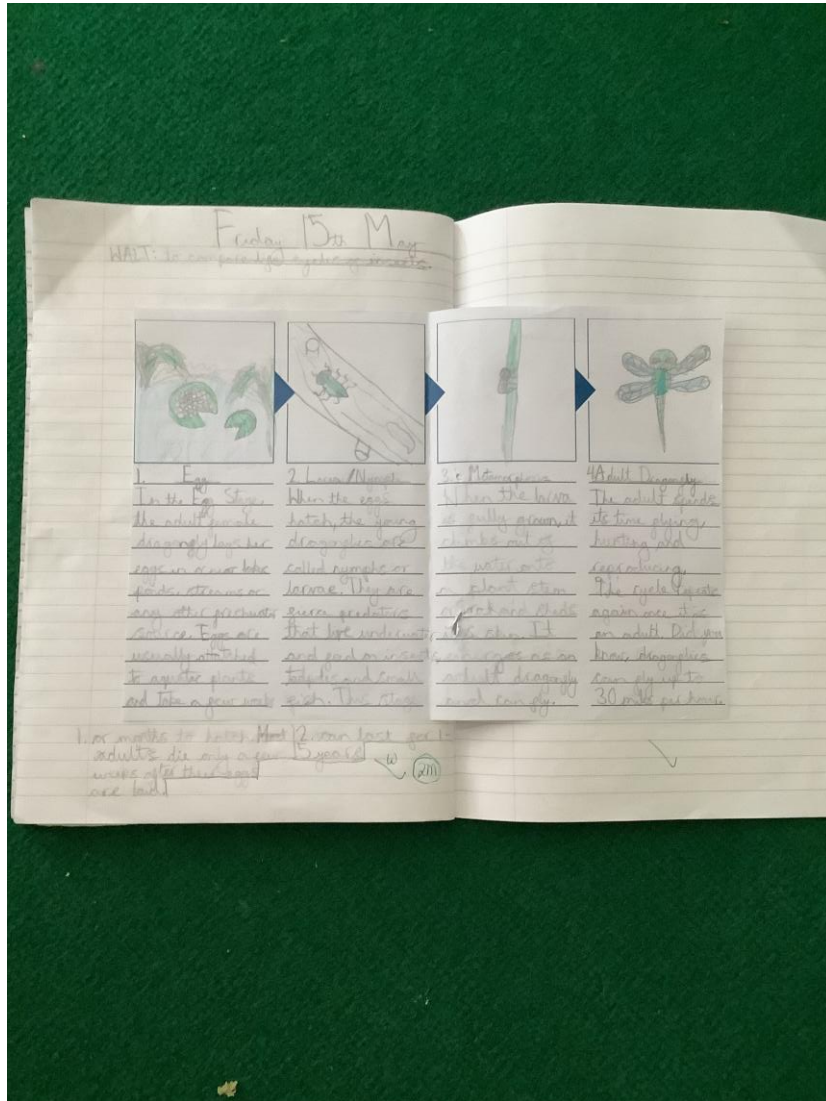

3) Jia has started to plot the vertices of a square.

a) Write the coordinates of the vertices she has plotted.
vertex A (5, 4)
vertex B (3, 2)

b) Now, plot the other two vertices and label them C and D. Then, write the coordinates.
vertex C (5, 2)
vertex D (3, 4)

In maths, they have been finding and plotting coordinates on a grid.

Science

Also, in science they have been learning about living things- their habitats and lifecycles.

And remember...

Together everyone
achieves more!
