Learning at Home...

Reading:

Please help us to promote a love of reading by listening to your child read daily. 'Little and often' is key and makes such a positive difference.

Learning Together Journal:

This is an exciting way of sharing with us what your child has been learning and experiencing outside of school.

Foundation Stage Stay and Learn Sessions

You will be invited to 'Stay and Learn' sessions during the school year. These will focus on learning to read and maths.

There will be a presentation in the school hall and you will then spend some time with your child in their classroom.
