Year 6 English

We have been writing a formal letter to Sherlock Holmes about a race horse that was stolen. The family that owned the horse are tearing Sherlock's reputation apart because they want him back. Also, the horse won them about 1,000,000 Guineas a year (a Victorian currency).

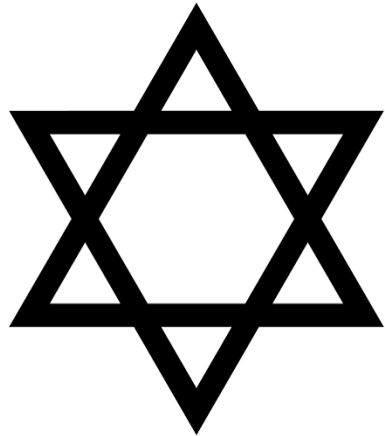

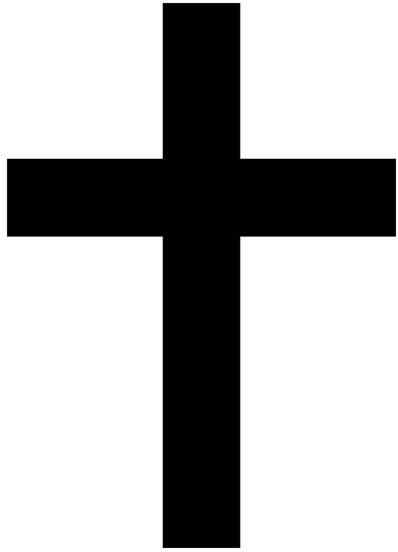

Maths

In maths, we have been learning about divisible numbers and common multiples by sorting them into diagrams. We have been doing some division to get stronger at different questions.

Topic

In our topic work, we have been learning about the Industrial Revolution and how it changed so many lives and also for the worst there was pollution because of factories. We have also been doing a report on Queen Victoria's life and the changes that happened and how she lived her life.

RE

In RE, we have been doing what matters most to Christians and Jewish people and who they admire and support. Also, we have learned a lot about these two faiths.
